

The WELL Health-Safety Rating™

Brookfield Properties is proud to share the achievement of the WELL Health-Safety™ Rating once again through the International WELL Building Institute (IWBI). The WELL Health-Safety Rating is an evidence-based, third-party verified rating for operational policies, maintenance protocols, stakeholder engagement, and emergency plans to address a post-COVID-19 office environment now and into the future.

This means you can be confident that the measures we already have in place meet the highest standards in the industry and we're committed to maintaining those standards by:

- Providing safe building operations for your well-being
- Ensuring you feel confident while back in the office
- Building on public health professionals' expertise to continually improve our spaces

WELL has recognized our great work on:

- Cleaning & sanitizing our spaces
- Developing & implementing emergency preparedness plans
- Providing health services & resources for our employees
- Conducting rigorous air & water quality management
- Our commitment to ongoing communication ensuring our stakeholders are engaged and informed on our building measures
- Our ongoing wellness programming for our building communities with classes like yoga, meditation, nutrition etc. offered to our tenants and employees via the axiis tenant engagement app

Want to learn more about WELL Health-Safety at your building? Reach out to your building management team.
